About the RSS Conference

The RSS conference brings together the statistics and data science community from across the UK, Europe and around the world to share knowledge and learn about latest developments.

As one of the largest events of its kind in Europe attracting attendees from all sectors using statistics and data, this is a must-attend event for everyone interested in the impactful application of statistics and data science.

The programme in Edinburgh will feature 7 keynote talks, over 70 invited topic sessions and professional development workshops, over 250 contributed, rapid-fire and poster presentations, plus many opportunities for networking.

2024 EXHIBITOR:

"Attending the RSS annual conference has been invaluable! It allows us to broaden our connections, engage with diverse users, and exchange ideas that help shape and enhance our services."

2024 EXHIBITOR:

"It was a great experience to meet an international community of statistical experts in Brighton. As first-time RSS exhibitors, we were impressed by the attendees' engagement with our stall, and their insightful questions."

Promotional and Sponsorship opportunities

We have a range of opportunities available depending on your budget and objectives.

We work flexibly with our sponsors, aiming to understand their needs and objectives, and tailoring the partnership to achieve success for both parties. We are happy to create bespoke packages.

We encourage sponsors and exhibitors to consider running workshops, roundtables, demonstrations, book/product launches, fringe meetings and receptions.*

Please contact our head of partnerships David Hamilton (d.hamilton@rss.org.uk) to discuss further.

*Please note that additional room hire costs may apply for some activities and any catering provided will need to be paid for.

Real World Data Science

Real World Data Science is a new content platform from the RSS, built for data science students, practitioners, leaders and educators as a space to share, learn about and be inspired by real-world uses of data science.

Sponsorship and brand marketing opportunities include podcasts, video interview series, special reports, webinars, and in-person events.

Contact the editor to discuss:

rwds@rss.org.uk

<https://realworlddatascience.net/>

Significance

Significance is the membership magazine for members of the Royal Statistical Society, American Statistical Association and the Statistical Society of Australia. See: [Significance | Oxford Academic \(oup.com\)](#)

If you're interested in sponsoring a magazine section, series, individual article or interview, podcast or in-person event, please contact the editor Anna Britten: a.britten@rss.org.uk.

Advertise with the RSS

If you want to target the statistical and data communities, the RSS can deliver. We enjoy just over a million page views per year (80,000 page views a month) and our jobs board and events calendar each attract over 1,000 page views every month. All job adverts are promoted via Twitter reaching over 31,000 followers.

Events programme

The Society runs a variety of events throughout the year and sponsorship is welcome to help enhance the experience for attendees.

In particular there are options to support post-event receptions, co-sponsor workshops, support special topic conferences and get involved with the Society's inaugural careers roadshow.

To discuss forthcoming opportunities please contact Paul Gentry: p.gentry@rss.org.uk
